GOVERNMENT CRIME PROTECTION CHANGE ENDORSEMENT

This endorsement changes your Government Crime Protection.

How Coverage Is Changed

There are two changes explained below. These changes broaden coverage.

1. The Employee benefit plans section in the Employee Theft - Per Loss coverage is replaced by the following.

Employee benefit plans. If any employee benefit plan is listed in the Coverage Summary, we'll cover such employee benefit plan against loss of or damage to money, securities, or other property resulting directly from fraudulent or dishonest acts committed by an employee, whether such employee is:

- identified; or
- acting alone or in collusion with others.

2. The More than one plan sections in the Employee Theft - Per Loss coverage and the Employee Theft - Per Employee coverage are replaced by the following.

More than one plan. More than one employee benefit plan may be covered under this agreement. If two or more employee benefit plans are covered by this agreement, payment by us for loss:

- sustained by two or more of such employee benefit plans; or
- of money, securities, or other property commingled between two or more of such employee benefit plans

arising from one crime loss will be shared between the employee benefit plans that sustained such loss on a proportionate basis. We'll calculate the proportion for each such employee benefit plan's payment under this agreement by comparing the limit of coverage that employee benefit plan is required to carry by law to the total of such limits required by law of all such employee benefit plans.

Other Terms

All other terms of your policy remain the same.
