In compliance with the insurance laws and regulations of your state, we submit an enhancement to our Wrap+ modular program which was approved by your department with an effective date of March 27, 2006, under our company filing number 2005-07-0132R.

We are submitting a new rule to the Wrap+ modular general rules. Wrap+ is the primary modular program in which insureds can select anything from a monoline coverage part to a Wrap+ multi-coverage part policy. With this filing, we are adding a "Branding Rule" in the event we want to offer our Executive Choice and/or SelectOne brand names on our existing filed and approved forms. We are making no substantive changes to those filed and approved forms. We are simply opening up our modular program to other brand names since certain market segments prefer one brand name to another.

There is no rating impact for this filing.
