PC1505 10-08 Business Income Changes-Time Element endorsement and corresponding pricing rule

Requested Effective Date: October 1, 2008

The captioned companies submit the enclosed Business Income Changes-Time Period endorsement for your review and approval.

The endorsement is to be used with ISO's Business Income (and Extra Expense) Coverage Forms and provides the option of a 12-hour time period vs. the existing 72-hour time period which appears in both the "period of restoration" definition and the Civil Authority Additional Coverage.

For your reference, the corresponding rule page which includes the pricing for this 12-hour option has been filed accordingly under our project number PRR-CW-038-08.

If you should have any questions or concerns as you review this submission please let me know.

I look forward to your acknowledgment/approval of this filing.
