21. Filing Description [This area can be used in lieu of a cover letter or filing memorandum and is free-form text]

We would like to allow boat docks for coverage under our Property Owner Policy liability Underwriting Rules when they do not qualify as private structures. We have added this to I. Personal Liability Protection on POP-8 in our Property Owner's Policy Instructions pages of our Agent's Instruction Manual.

This section is highlighted in the attached page.

I. Personal Liability Protection (PRLP, PRLP50, PRLP100, PRLP300) (08-01-2008)

This endorsement adds personal liability protection to owner, seasonally, or tenant occupied dwellings. This endorsement may also be used to extend liability to privately-owned boat docks/boat houses that do not qualify as private structures for a dwelling. (DO NOT use this endorsement for boat dock exposures with multiple owners.) Variable liability limits (\$25,000, \$50,000, \$100,000 or \$300,000) are available and include \$5,000 medical and \$250 for damage to property of others.

CAUTION: This coverage is not available for policyholders who have exposures, which exceed residence liability (other than boat dock exception above), or those who need larger liability limits. Policyholders with farming operations, commercial business, additional insureds, partnerships, etc. will not be eligible for this endorsement. These exposures should be insured on a General Liability contract.

Do not use this endorsement with Builder's Risk for contractors if the contractor is building the house as "pre-sold" or "spec" house.

J. Collapse Coverage Exclusion (CLEX)

This endorsement will be mandatory with all poultry houses rated as basic construction. The endorsement excludes collapse as a result of the weight of ice, sleet, hail and/or snow accumulation on the roof. Collapse is also excluded if the poultry house is laden with ice, sleet, hail or snow and collapses because of wind. This endorsement will be available only for those structures classified as a poultry house.

K. Vendor's Single Interest Endorsement (VNSI)

This endorsement provides coverage for the lienholder or mobile home dealer for damages to the insured mobile home. The damages must result from collision or upset, alteration, conversion, concealment or repossession expenses.

In order to qualify for a VNSI Endorsement, the mobile home must meet the following requirements:

- (1.) it must be insured for 80% of market value;
- (2.) it must be fully underpinned;
- (3.) it cannot be tenant occupied.

L. Growers Loss of Income Endorsement (PGLI, PGLI2, PGLI3, PGLI4, & PGLI5)

This endorsement is designed to pay for loss of income from poultry or hog operations at the building listed on the declaration. This coverage applies when either a poultry house or hog house or its equipment is damaged as a direct result of a covered peril and the insured cannot continue operating. The insured can select a limit of liability for this endorsement in \$1,000 increments up to \$5,000 per month per building. Coverage will pay loss of income for up to 3 months during a policy period. This endorsement is available on all poultry and hog houses.
