NOTICE TO POLICYHOLDERS

The possibility of a major earthquake occurring in the state poses a serious threat to citizens of Arkansas. Most homeowner (including renter and condominium owners), farmowner and dwelling fire policies do not provide earthquake coverage or may provide less than 100% coverage for damage due to an earthquake. You should review your policy or talk with your agent to determine whether you have earthquake coverage.

The market for residential earthquake coverage in Arkansas has declined over the past several years. In response to these market conditions, a Market Assistance Program (MAP) has been developed to assist consumers in obtaining residential earthquake coverage. Individuals qualify to purchase residential earthquake coverage through the MAP simply by having underlying homeowners, farmowners or dwelling fire coverage that excludes the earthquake peril.

A list of insurers participating in the MAP may be obtained by contacting your agent or calling 1-800-852-5494. You may also elect to maintain earthquake coverage which you may have already purchased.

This notice does not provide you with earthquake coverage nor does it increase any amounts of earthquake coverage you may have.

Declination of Residential Earthquake Coverage

I have been advised about the availability of residential earthquake insurance through the Market Assistance Program (MAP) and/or the Arkansas Earthquake Authority and/or the insurance company to which I am applying.

I hereby choose **NOT** to purchase earthquake coverage in any form, from any of the above sources.

If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

3. This policy does not apply under Section **I** to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

N. Recovered Property

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. WATER BACK UP AND SUMP DISCHARGE OR OVERFLOW

A. Coverage

We insure, up to \$5,000, for direct physical loss, not caused by the negligence of an "insured", to property covered under Section I caused by water, or water-borne material, which:

1. Backs up through sewers or drains; or
2. Overflows or is discharged from a:
 - a. Sump, sump pump; or
 - b. Related equipment;

even if such overflow or discharge results from mechanical breakdown. This coverage does not apply to direct physical loss of the sump pump, or related equipment, which is caused by mechanical breakdown.

This coverage does not increase the limits of liability for Coverages **A**, **B**, **C** or **D** stated in the Declarations.

B. Section I – Perils Insured Against

With respect to the coverage described in **A**. above, Paragraph:

A.2.c.(6)(b) in Form **HO 00 03**;

A.2.e.(2) in Form **HO 00 05**;

2.j.(2) in Endorsement **HO 05 24**;

3.j.(2) in Endorsement **HO 17 31**; and

2.c.(6)(b) in Endorsement **HO 17 32**;

is deleted and replaced by the following:

Latent defect, inherent vice, or any quality in property that causes it to damage or destroy itself;

C. Special Deductible

The following replaces any other deductible provision in this policy with respect to loss covered under this endorsement.

We will pay only that part of the total of all loss payable under Section I that exceeds \$250. No other deductible applies to this coverage. This deductible does not apply with respect to Coverage **D** – Loss of Use.

 - (1) Backs up through sewers or drains; or
 - (2) Overflows or is discharged from a sump, sump pump or related equipment; as a direct or indirect result of flood; or
- c. Water, or water-borne material, below the surface of the ground, including water which:
 - (1) Exerts pressure on; or

a building, sidewalk, driveway, foundation, swimming pool or other structure;

caused by or resulting from human or animal forces or any act of nature.

Direct loss by fire or explosion resulting from water damage is covered.

All other provisions of this policy apply.

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

- A.** "Business", as defined in the policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis; or
 2. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in **b.** through **d.** below; and
 - (2) For which no "insured" receives more than \$2000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured".
- B.** If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business".
- C.** If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business".
- D.** With respect to **C.** above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
1. Described in **A.2.** above, and
 2. Engaged in for money by a single "insured"; may be considered a "business" if the \$2000 threshold is exceeded.
- E.** With respect to **A.** through **D.** above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this policy:
1. Does not provide:
 - a. Section **II** coverages. This is because a "business" of an "insured" is excluded under **E.2.** of Section **II** – Exclusions;
 - b. Coverage, under Section **I**, for other structures from which any "business" is conducted; and
 2. Limits Section **I** coverage, under Coverage **C** – Special Limits of Liability, for "business" property:
 - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category **h.** (**e.** in Form **HO 00 08**) imposes that limit on "business" property on the "residence premises";
 - b. Away from the "residence premises" for the home day care "business" to \$500. This is because Category **i.** (**f.** in Form **HO 00 08**) imposes that limit on "business" property away from the "residence premises". Category **i.** does not apply to property described in Categories **j.** and **k.** (**g.** and **h.** respectively in Form **HO 00 08**).

(APPLIES ONLY WHEN LOSS TO BUILDING INSURED UNDER COVERAGE A EXCEEDS
THE COVERAGE A LIMIT OF LIABILITY SHOWN IN THE DECLARATIONS)

SCHEDULE*

Additional Amount Of Insurance:

_____ %

The Additional Amount Of Insurance is determined by multiplying the Coverage **A** limit of liability shown in the Declarations by the percentage amount shown above.

B. If there is a loss to the building insured under Coverage **A** that exceeds the Coverage **A** limit of liability shown in the Declarations, for the purpose of settling that loss only:

- c. The limit of liability under this policy that applies to the building, plus any additional amount provided by this endorsement.

If the building is rebuilt at a new premises, the cost described in **a.** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

3. We will pay no more than the actual cash value of the damage until actual repair or replacement is complete.
4. You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss to the building on an actual cash value basis. You may then make claim for any additional liability on a replacement cost basis, provided you notify us of your intent to do so within 180 days after the date of loss.

All other provisions of this policy apply.

LIMITED ANIMAL LIABILITY COVERAGE

SCHEDULE*

These limits of liability apply to the total of all loss or costs payable under this endorsement, regardless of the number of "occurrences", the number of claims made, or the number of locations insured under this endorsement and listed in this Schedule.	
1.	Section II – Coverage E Aggregate Sublimit of Liability for Animal Liability \$ 25,000
*Entries may be left blank if shown elsewhere in this policy for this coverage.	

SECTION II – CONDITIONS

Condition A. Limit of Liability is deleted and replaced by the following:

A. Limit of Liability

Our total liability under Coverage E for all damages resulting from any one "occurrence" will not be more than the Coverage E limit of liability shown in the Declarations. This limit is the same regardless of the number of "insureds", claims made or persons injured. All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence".

Our total liability under Coverage F for all medical expense payable for "bodily injury" to one person as the result of one accident will not be more than the Coverage F limit of liability shown in the Declarations.

However, our total liability under Coverage E for the total of all damages resulting directly or indirectly, in whole or in part, out of the actual, alleged, or threatened loss caused by an animal owned by, or in the care and custody of any insured, will not be more than the Section II – Coverage E Aggregate Sub Limit of Liability for Animal Liability. That sub limit is the amount shown in the Schedule. This is the most we will pay regardless of the:

1. Number of locations insured under the policy to which this endorsement is attached;
2. Number of persons injured;
3. Number of persons whose property is damaged;
4. Number of "insureds"; or
5. Number of "occurrences" or claims made

This sublimit is within, but does not increase, the Coverage E limit of liability. It applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations.

With respect to damages arising out of animal liability described in A. Limit of Liability of this endorsement, Condition **B. Severability of Insurance** is deleted and replaced with the following:

B. Severability of Insurance

This insurance applies separately to each "insured" except with respect to the Aggregate Sublimit of Liability described in this endorsement under Section II – Conditions, A. Limit of Liability. This condition will not increase the limit of liability for this coverage.

All other provisions of the policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FUNCTIONAL REPLACEMENT COST LOSS SETTLEMENT

FORMS HO 00 02, HO 00 03 AND HO 00 05 ONLY

DEFINITIONS

The following definition is added when this endorsement is attached to the policy:

"Functional replacement cost" means the amount which it would cost to repair or replace the damaged building with less costly common construction materials and methods which are functionally equivalent to obsolete, antique or custom construction materials and methods used in the original construction of the building.

SECTION I – CONDITIONS

C. Loss Settlement

Paragraph 2. is deleted and replaced by the following:

2. Buildings covered under Coverage A or B:

- a. If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the "functional replacement cost" of the building immediately before the loss and you contract for repair or replacement of the damaged building for the same use, within 180 days of the damage unless we and you otherwise agree, we will pay, after application of any deductible, the lesser of the following amounts:

- (1) The limit of liability under this policy that applies to the building; or
- (2) The necessary amount actually spent to repair or replace the damaged building on a "functional replacement cost" basis.

- b. If you do not make claim under 2.a. above, we will pay, after application of any deductible, the least of the following amounts:

- (1) The limit of liability under this policy that applies to the building;

- (2) The actual cash value of the damaged part of the building; or

- (3) The amount which it would cost to repair or replace the damaged building on a "functional replacement cost" basis.

- c. If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the "functional replacement cost" of the building immediately before the loss, we will pay that proportion of the cost to repair or replace that part of the building damaged:

- (1) After application of any deductible; and
- (2) Without deduction for depreciation;

which the total amount of insurance in this policy on the damaged building bears to 80% of the "functional replacement cost" of the building, but not more than the limit of liability under this policy that applies to the building.

- d. To determine the amount of insurance required to equal 80% of the "functional replacement cost" of the building immediately before the loss, do not include the value of:

- (1) Excavations, footings, foundations, piers, or any other structures or devices that support all or part of the building, which are below the undersurface of the lowest basement floor;
- (2) Those supports in (1) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
- (3) Underground flues, pipes, wiring and drains.

e. If the actual cash value of the damage is less than the "functional replacement cost" then:

(1) We will pay no more than the actual cash value of the damage until replacement is complete. Once replacement is complete, we will settle the loss according to the provisions of **2.a.** and **c.** above.

However, if the cost to functionally repair the damage is both:

(a) Less than 5% of the amount of insurance in this policy on the building; and

(b) Less than \$2,500;

we will settle the loss according to the provisions of **2.a.** and **c.** above whether or not replacement is complete.

(2) You may disregard the "functional replacement cost" loss settlement provisions and make claim under this policy for loss to buildings on an actual cash value basis.

You may then make claim for any additional liability according to the provisions of this Condition **C. Loss Settlement**, provided you notify us of your intent to do so within 180 days of the date of loss.

All other provisions of this policy apply.

NOTICE TO POLICYHOLDERS

The possibility of a major earthquake occurring in the state poses a serious threat to citizens of Arkansas. Most homeowner (including renter and condominium owners), farm owner and dwelling fire policies do not provide earthquake coverage or may provide less than 100% coverage for damage due to an earthquake. You should review your policy or talk with your agent to determine whether you have earthquake coverage.

The market for residential earthquake coverage in Arkansas has declined over the past several years. In response to these market conditions, a Market Assistance Program (MAP) has been developed to assist consumers in obtaining residential earthquake coverage. Individuals qualify to purchase residential earthquake coverage through the MAP simply by having underlying homeowners, farm owners or dwelling fire coverage that excludes the earthquake peril.

A list of insurers participating in the MAP may be obtained by contacting your agent or calling 1-800-852-5494. You may also elect to maintain earthquake coverage which you may have already purchased.

This notice does not provide you with earthquake coverage nor does it increase any amounts of earthquake coverage you may have.

Declination of Residential Earthquake Coverage

I have been advised about the availability of residential earthquake insurance through the Market Assistance Program (MAP) and/or the Arkansas Earthquake Authority and/or the insurance company to which I am applying.

I hereby choose **NOT** to purchase earthquake coverage in any form, from any of the above sources.
