AMENDATORY ENDORSEMENT – HOW LOSSES ARE SETTLED
(FARMOWNERS)

Under **CONDITIONS – SECTION I**, “2. **How Losses Are Settled**”, is deleted and replaced with the following:

2. How Losses Are Settled

- (a) Loss to the following types of property will be settled at the actual cash value of the damaged property at the time of loss. Actual cash value includes deduction for depreciation.

Personal property.

Farm personal property.

Farm buildings and structures.

Structures that are not buildings.

Carpeting, awnings, domestic appliances and outdoor equipment, all whether or not attached to buildings and additionally, in Oklahoma only, roof surfacing.

We will pay no more than:

- (1) the cost to repair or replace the damaged property with property of like kind and quality; or
- (2) the limits of liability of this policy.

- (b) Under Coverage A - Dwelling and Coverage B — Other Structures:

(1) How a loss to the dwelling or other structure will be settled will depend on how the limit of liability shown in the Declarations relates to the full replacement cost. In determining full replacement cost, do not include the cost of excavation, underground pipes, wiring and drains, foundations or other supports below the surface of the lowest basement floor. If there is no basement, do not include the cost of those supports below the surface of the ground and inside the foundation walls.

(2) If, at the time of loss, the limit of liability shown in the Declarations for the dwelling or other structure in this policy is 80% or more of the full replacement cost, **we** will pay the full cost to repair or replace the damaged part of the dwelling or other structure, up to that limit, without deduction for depreciation up to that limit.

(3) If, at the time of loss, the limit of liability shown in the Declarations for the dwelling or other structure in this policy is less than 80% of the full replacement cost, **we** will pay the larger of the following amounts:

(i) the actual cash value of the damaged part of the dwelling or other structure; or

(ii) the full cost to repair or replace the damaged property multiplied by the ratio of the limit of liability shown in the Declarations on the dwelling or other structure to 80% of its full replacement cost up to that limit.

(4) But, **we** will pay under (2) or (3) no more than the smallest of the following:

(i) the limit of liability shown in the Declarations for the dwelling or other structure;

(ii) the cost to replace the damaged dwelling or other structure with equivalent construction for equivalent use on the same premises; or

(iii) the amount actually spent for necessary repair or replacement of the damaged dwelling or other structure.

(5) If the full cost to repair or replace the damaged property is more than \$1,000 or 5% of the limit of liability shown in the Declarations for the dwelling or other structure in this policy, **we** will not be liable for full replacement cost until actual repair or replacement is completed.

(6) If the full cost to repair or replace the damaged property is both less than \$1,000 and less than 5% of the limit of liability shown in the Declarations applying to the property, **we** will pay the full cost to repair or replace the damaged property without deduction for depreciation.

(7) **You** may disregard these replacement cost loss settlement provisions when making a claim. If **you** do, **you** may make further claim within 180 days after the loss for any additional cost **you** incur in replacing the damaged property.

- (c) **We** may make a cash settlement and take all or part of the damaged property at its appraised or agreed on value, or repair or replace the damaged property with property of like kind and quality. **We** must give **you** notice of **our** intention within 30 days after **we** receive **your** proof of loss.

- (d) **(Missouri only)**

In the event of partial damage to insured property caused by the peril of fire, **we** will, at **your** option, pay **you** up to the limit of liability shown in the Declarations that applies to the property, the repair cost of the damage or repair the damage so that the property will be in as good condition as before the fire.

Notes for Uniform Property & Casualty Transmittal Document

DESCRIPTION OF ITEMS IN THE PROPERTY AND CASUALTY TRANSMITTAL DOCUMENT

- 1. Reserved for Insurance Dept. Use Only**—this section is for anything the Dept. wishes to capture—such as date stamps, approval stamps, check routing numbers, accounting codes, etc.
- 2. Insurance Department Use Only Box:** Includes the following information: (It is up to the state to determine which, if any, of this info they wish to record—or it may be recorded in #1 box with stamps (for example))
 - a. Date the filing is received by the Insurance Dept.**
 - b. Analyst**—lead analyst who reviewed the filing and assigns final disposition
 - c. Disposition**—this is the disposition that the Dept. assigns—authorized, approved, filed, withdrawn, disapproved, informational only, etc.
 - d. Date of Disposition of the filing**—date filing is finished
 - e. Effective Date of the Filing**—date the filing goes into effect. This date may vary by state—it might be the “approval” date in some states. It might be the implementation date in some states. It might be the received date in some states. The Dept. should use the date that is applicable in their state.
 - f. State Filing #:** The number the state assigns to the filing (if applicable).
 - g. SERFF Filing #:** Some states may use SERFF to track paper filings and will use that SERFF assigned number.
 - h. Subject Codes** – This field is intended to capture one or more Subject Codes for states to track particular attributes of a filing, such as mold exclusions. The codes or terms used would be variable by state.
- 3. Group Name and Group NAIC #** as assigned by NAIC.
- 4. Company Name(s), State of Domicile, NAIC #, FEIN#, State #:** Every company to which this filing applies must be listed and the company information must be supplied, with the exception of the State # (the company specific code) if not available or not required by the filing jurisdiction. A filing that lists a group without supplying company info will not be accepted in most states.
- 5. Company Tracking Number:** The filing number assigned by the insurance company, if any.
- 6. Contact Info of Filer or Corporate Officer:** The company should supply the information on the person the state should contact if there is a question/problem with the filing. If there is more than one person (perhaps, one for rates, one for forms) then both should be listed.
- 7. Signature of authorized filer:** Some states require a signature of the authorized filer. If the filer is third party, a letter of authorization from the insurer must be submitted according to state requirements.
- 8. Please print name of authorized filer:** So we can decipher #7 above!
- 9. Type of Insurance (TOI):** Refer to Uniform Property & Casualty Product Coding Matrix. This corresponds to the column entitled “SERFF Type of Insurance” and roughly corresponds to the annual statement line of business.
- 10. Sub-type of Insurance (Sub-TOI):** Refer to Uniform Property & Casualty Product Coding Matrix. This corresponds to the column entitled “SERFF Sub-Type of Insurance”.
- 11. State Specific Product code(s):** See State Specific Requirements for these codes
- 12. Company Program Title:** Marketing title, if applicable.
- 13. Filing Type:** Choices are Rate/Loss Cost; Rules; Rates/Rules; Forms; Withdrawal; Other.

14. Effective Date Requested: This is the effective date the company requested when they made the filing. It is not necessarily the date the filing officially becomes effective. This is also where the company can indicate the different effective dates for new or renewal business.

15. Reference Filing: Yes/No

16. Reference Organization (if applicable): The name of the advisory organization—i.e. ISO, NCCI, AAIS, etc. or an Insurance Company name if “me too filing” is permitted. Some states allow companies to reference another company’s filing. A “me too” filing is when one company adopts another company’s filing. Usually they are not part of the same group. You should check with each state to determine their rules on these filings. If permitted, use this area to indicate either an advisory organization name or “me too” company name.

17. Reference Organization Number & Title (if applicable): This is the unique number that the reference organization gives to the filing. It is generally not the same number as the circular number.

18. Company’s Date of filing: The date the company sends the filing.

19. Status of filing in domicile: Place for the company to show if filing has been filed in domicile and its status.

20. This filing transmittal is part of Company Tracking #: This ties all of the pages of the transmittal to the same filing. It is helpful for the state.

21. Filing Description: This area can be used in lieu of a cover letter or filing memorandum and is free-form text.

22. Filing Fees: Please refer to each state’s checklist for additional state specific requirements or instructions on calculating fees.

DESCRIPTION OF ITEMS IN THE FORM FILING SCHEDULE**

FORM FILING SCHEDULE

- 1. This filing transmittal is part of Company Tracking #:** This ties all of the pages of the transmittal to the same filing. It is helpful for the state
- 2. This filing corresponds to rate/rule filing number:** Many states require that rates and forms be submitted separately due to different review procedures that are required by law. For those states, this will tie the form filing with the associated rate filing, if there is one.
- 3. Exhibit/Form Name/Description/Synopsis:** This is a list of forms being filed. **Do not refer to the body of the filing for a separate forms listing, unless allowed by state. This is required information and is required here.** The line numbers below this are to help the Departments that track the number of forms they receive.
