Dear Doug Smith,

This will acknowledge receipt of the captioned filing.

This filing adopts Reference Number CIF-2008-07. We have not approved any NCCI Item Filing with that number. It is possible that the number given in the filing is a circular number which is often different than the Item Filing number. The Item Filing number is the unique number that identifies the filing. We do not see the circulars. Several circulars may refer to the same Item Filing. One circular may refer to many item filings. The Item Filing number can be found in the body of the circular. The Item Filing number can usually be found in the body of the circular.

Please feel free to contact me if you have questions.

Sincerely,

Carol Stiffler
