## UNDERWRITING RULES

### MISSION STATEMENT

Cameron Mutual is dedicated to providing excellent coverage with reasonable rates for our insureds.

**The Personal Auto Policy, including endorsements and exclusions, will be the final determinant of coverage.**

#### 1. Operating Territory

Cameron Mutual is licensed in the states of Arkansas and Missouri. To secure coverage, a vehicle must be registered and primarily garaged within these states. If an insured leaves this region of operation permanently or for an indefinite period, a replacement policy must be obtained.

#### 2. Binding Authority

Agents may bind coverage in accordance with these underwriting rules and manual rules.

The agent has no authority to bind coverage in excess of BI 250,000/500,000, PD 250,000. Higher limits, if required by a CIC umbrella policy, are available.

If there is reason to question the acceptability of a risk, **do not bind** coverage or accept any premium. These risks should be discussed with your Home Office Underwriter prior to binding.

Definition of binding: All applications are considered bound unless application has “unbound” or “trial application” prominently written on the front of the application – or on an electronic application “unbound” is chosen. Do not collect payment on an unbound application.

#### 3. Unacceptable Risks – Vehicle Types

The following list is not all-inclusive since other vehicles with similar characteristics may also be considered unacceptable.

- a. Vehicles garaged primarily out of the operator's state of residence.
- b. Vehicles with altered, stripped down, or makeshift bodies, or with modified engine or suspension systems including kit cars.
- c. Vehicles with the following usages:
  - (1) Auto dealers, body shops, service stations, public storage garages, parking lots, mobile home trailer dealers, or tow truck operations.
  - (2) Contract hauling (Star mail route, newspaper, film, etc.)

  - (4) Vehicles used for hauling passengers for hire, other than car-pooling.
  - (5) Vehicles used in racing, speed contests, or exhibitions.
  - (6) Vehicles used in an auto rental business.
- d. Vehicles with a new cost price over \$100,000 or motor homes with a new cost price over \$125,000. For consideration, contact the Home Office.
- e. Vehicles not titled or leased in the name of at least one named insured.

#### 4. Unacceptable Risks – Driver Types

- a. Households whose drivers have incurred more than three minor traffic violations in the past three years. Minor violations include but are not limited to the following:
  - Speeding 1-10 miles over the posted limit
  - Improper passing
  - Failure to yield
- b. Households whose drivers have incurred one or more mid-major violations in the past five years. Examples of mid-major violations include, but are not limited to the following: Careless and Imprudent driving; hit and run; open bottle violation.

## GENERAL RULES

- (4) If there are operators in the household under age 50:
    - (a) Any youthful operator class shall apply in accordance with the youthful operator rules. Ages 20 and 24 will receive 21 and 25 classification, respectively, at renewal immediately **prior** to obtaining that age.
    - (b) Autos principally operated by an adult under age 50 shall be rated at the "All Other" or "Only Operator Female Age 30-49" Classification (unless a youthful operator classification is applicable.)
  - c. **Multi-Car Discount**

The applicable Multi-Car Rating Factor applies if more than one private passenger auto in the household is insured by the Cameron Insurance Companies. Each auto must provide bodily injury and property damage liability.
  - d. **Passive Restraint Discount (Air Bag(s) Only)**

The following discount applies to medical (or any no-fault) coverage only. To qualify, the private passenger auto must be equipped with a factory installed air bag conforming to the federal crash protection requirements and meet the criteria of either paragraph (1) or (2) below.

    - (1) 10% discount shall be afforded when the air bag is installed in the driver side only position.
    - (2) 10% discount shall be afforded when the air bags are installed in both front outboard seats.
  - e. **Total Base Premium** is the sum of the base premium for bodily injury and property damage liability, medical payments, comprehensive and collision coverages that apply to the auto.
5. **Pickups With Campers Or Special Equipment**
- a. Rate as a private passenger auto.
  - b. When a camper body is non-permanently attached to the pickup, or when a shell, cover, or special equipment is attached, obtain the ISO rating symbol for the pickup and refer to Page 1 and 2 of the Symbol and Identification Section. To the highest value for that symbol, add the cost of the camper, shell, cover, or special equipment to determine the adjusted symbol.
  - c. For non-symboled pickups, add the cost of the camper, shell, cover, or special equipment to the actual amount of coverage desired of the pickup and determine the symbol from Page 1 and 2 of the Symbol and Identification Section.
  - d. When a pickup is used to transport a permanently attached camper body, refer to the Motor Homes Section of the Miscellaneous Types Rule 19.
6. **Low Mileage**

A two point Low Mileage Discount will be applied to an auto that is rated **Pleasure Use, Less Than Three Miles to Work** and driven 10,000 miles or less annually.

This discount will not apply to autos rated for male or unmarried female operators under 25 years of age.

7. **Multi-Policy Discount**

A 12% discount will apply on a Personal Auto policy when the named insured is also the named insured on a Cameron Mutual Preferred Homeowners policy, Homeowners policy, Home Security policy, Mobile Homeowners policy or Farmowners policy.

Other Personal Auto policies in the household will be eligible for this discount provided a named insured on the qualifying policy is also a named insured on the additional household policy. (For example, son lives at home and owns an auto. If father or mother is a named insured on son's policy, the policy qualifies for the discount.)

The discount applies to all units on the policy and to all coverages. If the companion property policy is cancelled or not renewed, the 12% Multi-Policy Discount will be removed at the next Personal Auto policy renewal.

A 10% discount will apply on a personal auto policy when the named insured is also the named insured on an owner occupied Homeowners, tenant Homeowners or condominium policy with a carrier whom the agent of record is contracted with.

**Satisfied - Item:** SDRP **Item Status:** Filed **Date:** 05/31/2012  
**Comments:**  
 The new Safe Driver Rating Plan (SDRP) is a strategic change to our product that we have designed to improve our retention, especially of those policies that are at fault claim free. At the same time we are improving the way we manage at fault accidents over our current method. The SDRP replaces both our Loyalty Discount and rescoring a policy when an at fault accident occurs.

With the SDRP, the discount is still determined by having multiple years of continuous service. However when an at fault claim occurs, which excludes comp or UM/UIM claims, the discount will be effected according to the chart. The chart also shows how we will manage multiple at fault claims.
