1. **Summary of Significant Accounting Policies**

**A. Accounting Practices**

The accompanying financial statements of the Company have been prepared in conformity with the Statutory Accounting Practices (“SAP”) set forth in the National Association of Insurance Commissioners’ (“NAIC”) *Accounting Practices and Procedures Manual*, version effective March 2010.

The Arkansas Insurance Department (“ARDOI”) requires that insurance companies domiciled in Arkansas prepare their statutory basis financial statements in accordance with NAIC SAP to the extent that the practices and procedures contained in the manual do not conflict with any other provisions of Arkansas Insurance Code. Title 23, subtitle of the Arkansas Insurance Code contains differences from NAIC SAP. These sections that supersede the NAIC SAP rules pertain primarily to limitations on investments, and reserve requirements.

**B. Use of Estimates in the Preparation of the Financial Statements**

The preparation of financial statements as prescribed by SAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

**C. Accounting Policy**

**Investments**

Investments are stated in accordance with methods and values adopted by the NAIC and, as such, bonds are generally stated at amortized cost. The retrospective method is used to value mortgage-backed securities. Premiums and discounts on fixed maturity investments are accreted to income using the modified scientific method over the anticipated life of the security. Short-term investments and U.S. Treasury Bills are carried at amortized cost, which approximates fair market value. Market values are determined using prices published by the NAIC Securities Valuation Office (“SVO”), IDC or Bloomberg. Residential mortgage-backed securities with an NAIC rating below a 2 are carried at market value as of the statement date. The value of these securities are calculated in accordance with SSAP 43R.

Net investment income earned consists of interest less investment related expense. Interest is recognized on an accrual basis. Realized gains or losses on the sale of investments are determined on the specific identification method. Unrealized gains or losses are reflected directly in unassigned surplus and, accordingly, do not affect the statements of income.

**Cash and Short-Term Investments**

Cash includes balances held in banks and certificates of deposit with maturities of less than one year. Investments which have a maturity of one year or less, at the date of purchase, including money market mutual funds, are considered short-term investments and are carried at cost or amortized cost.

**Other Accounting Policies**

Unpaid claims adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience, for losses incurred but not yet reported. Such estimates are based on assumptions and while management believes the amount to be adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and establishing the resulting liabilities are continually reviewed and adjustments are reflected in the period determined.

Expenses incurred in connection with acquiring new insurance business are charged to operations as incurred.

2. **Accounting Changes and Correction of Errors**

There have been no changes since the 2009 annual filing.

3. **Business Combinations and Goodwill**

Not Applicable

4. **Discontinued Operations**

Not Applicable

5. **Investments**

A, B & C. ACC had no mortgage loans, debt restructuring or reverse mortgages at June 30, 2010.

D. ACC currently has no other-than-temporarily impaired loan-backed securities. All lower rated mortgage securities have been tested and there is no case where the cash flows are less than the amortized cost. However, securities that meet these criteria would be handled as follows. Any loan-backed security rated NAIC6 would be considered impaired if the present value of discounted future cash flows were less than amortized cost. Bloomberg or Intex cash flows would be used and default rates and severities assumed as the actual values of the last six months. These assumptions are conservative due to the significant issues experienced with mortgage loans during this period.

E, F & G. ACC had no repurchase agreements, real estate investments or Low Income Housing Tax Credit investments at June 30, 2010.

6. **Joint Ventures, Partnerships and Limited Liability Companies**

The Company has no investments in Joint Ventures, Partnerships or Limited Liability Companies that exceed 10% of its admitted assets.

7. **Investment Income**

At June 30, 2010 ACC reported net investment income due and accrued of \$157,083, all of which has been admitted.

8. **Derivative Instruments**

Not Applicable

9. **Income Taxes**

A. The company has deferred tax assets that consist of the following:

	<b>Revised for Audit December 31, 2009</b>	<b>In Annual December 31, 2009</b>
Total deferred tax asset	\$ 851,924	\$ 860,755
Non-admitted deferred tax asset	(238,555)	(259,409)
Accrued market discount	(14,253)	-
Admitted deferred tax asset	<u>599,116</u>	<u>601,346</u>
Change in non-admitted deferred tax asset	<u>\$ 20,854</u>	<u>\$ 46,584</u>

B. Not Applicable

C. The tax effects of temporary differences that gave rise to significant portions of the deferred tax assets were as follows:

	<b>Revised for Audit December 31, 2009</b>	<b>In Annual December 31, 2009</b>	<b>Change</b>
Depreciation and amortization	\$ 277,850	\$ 277,850	\$ -
Unpaid losses and LAE	524,694	526,603	(1,909)
Accruals and reserves	35,191	56,366	(21,175)
Other	14,189	(64)	14,253
Total deferred tax assets	851,924	860,755	(8,831)
Non-admitted deferred tax assets	(238,555)	(259,409)	20,854
Accrued market discount	(14,253)	-	(14,253)
Net deferred tax assets	<u>\$ 599,116</u>	<u>\$ 601,346</u>	<u>\$ (2,230)</u>

- D. The provision for federal income taxes incurred is different from that which would be obtained by applying the statutory federal income tax rate to income before federal income taxes. The significant items causing this difference are as follows:

	<b>Revised for Audit December 31, 2009</b>	<b>Percent</b>	<b>In Annual December 31, 2009</b>	<b>Percent</b>
Income (loss) before taxes	\$ 8,710,870		\$9,117,542	
U.S. tax (benefit) at statutory rate	2,961,696	34.00%	3,099,964	34.00%
Expenses deducted on books not deducted on the return	(311,252)	(3.57)%	(313,161)	(3.43)%
Change in non-admitted deferred tax	(232,488)	(2.67)%	(46,584)	(.51)%
Deferred tax	(206,792)	(2.37)%	(369,613)	(4.05)%
Tax expense (benefit)	<u>\$ 2,211,164</u>	<u>25.39%</u>	<u>\$ 2,370,606</u>	<u>26.00 %</u>

- E. At June 30, 2010 the Company did not have any operating loss carry-forwards.

- F. The Company's federal income tax return is consolidated with Arcadian Management Services, Inc. ("AMS"), Arcadian Health Plan, Inc. ("AHP"), Arcadian Health Plan of Georgia, Inc. ("AHPGA"), Arcadian Health Plan of Louisiana, Inc. ("AHPLA") Arcadian Health Plan of North Carolina, Inc. ("AHPNC") and Arcadian Health Plan of New York, Inc. ("AHPNY"). The agreement established among the companies is to use a pure separate company approach with no current credit for any net operating losses or other items utilized in the consolidated tax return. This arrangement is discussed further in Note 10.F.

#### 10. Information Concerning Parent, Subsidiaries and Affiliates

- A. The Company is owned 60% by AHP and 40% by AMS. The Company was granted a Certificate of Authority by the Arkansas Insurance Commissioner on March 21, 2005.

B & C. Not Applicable

- D. At June 30, 2010, the Company had the following receivables and payables, net from its parent and affiliated companies:

	<b>Receivable</b>	<b>Payable</b>
AMS	\$ -	\$ 818,472
AHP	-	2,369,506
AHPGA	2	-
<b>Total</b>	<u>\$ 2</u>	<u>\$ 3,187,978</u>

The majority of the amounts owed by the Company are a combination of pharmacy costs and broker commissions paid from AHP's bank account on behalf of its affiliates and subsidiary companies. Also, included in the amount due to affiliates are management fees and general and administrative expenses that are initially borne on AHP and subsequently allocated to its affiliate companies – one of which is ACC (see note 10.F, paragraph 2).

The terms of all intercompany agreements amongst the affiliates require that these balances be settled monthly.

E. Not Applicable

F. AMS provides certain services to the Company. Those services include enrollment processing, claims processing, professional credentialing, information technology, treasury, financial and tax services. Total compensation under this contract is on a per member per month basis with additional flat rate fees.

All of the departmental costs associated with finance/accounting, health/member/physician services, pharmacy management, corporate sales, regulatory compliance, and new market development are originally recorded on the books of AHP and then allocated to the company's subsidiary and affiliates based on membership (enrollment). The costs being allocated include the salaries, bonuses, expenses, and benefits of all employees that are listed as AHP employees that perform job functions for AHP, ACC, AHPGA, AHPLA, AHPNC and AHPNY. Other costs that are allocated to the subsidiary and affiliate health plans include, but are not limited to: postage, utilities, general consulting and legal fees, temporary help and employee recruitment for the previously mentioned departments, as well as office supplies and depreciation on office furniture/equipment, software licenses, and overhead costs associated with overall design and production of health plan marketing materials.

The Company remits current federal income taxes to its parent, AMS under a tax allocation agreement which became effective on January 1, 2009. This agreement permits the Company to remit taxes to its parent that would otherwise be payable to the federal government if taxes were calculated on a single-entity basis. AMS files a consolidated federal income tax return in which income generated by ACC is sheltered by subsidiary, affiliate and parent company losses.

G. 60% of the outstanding shares of the Company are owned by AHP, a health maintenance organization domiciled in Washington. The remaining 40% is owned by AMS, a management services organization domiciled in Delaware.

H. Not Applicable

I, J & K. ACC does not have an investment in a Subsidiary Controlled or Affiliated Entity that exceeds 10% of the company's admitted assets. The company likewise has no investments in foreign insurance subsidiaries.

## 11. **Debt**

A. In 2004, AMS borrowed a total of \$3,000,000 from its then Chief Executive Officer and Senior Vice President of Finance. Warrants for 75,000 shares were issued in connection with this funding at \$1.00 per share. These warrants were exercised in 2005 and 2006 and there were no outstanding warrants at June 30, 2010. The debt (including accrued interest) was originally due on August 17, 2008. However, as of November 27, 2006, this debt was subordinated to the Three Arch Partners debt (discussed below), effectively extending the due date to July, 2011.

	<b>Amount</b>	<b>Interest Rate</b>
(Former) Chief Executive Officer	\$ 1,070,000	32.5%
Senior Vice President of Finance	430,000	32.5%
<b>Total Notes Payable</b>	<b>\$ 1,500,000</b>	

On February 7, 2007, AMS entered into an agreement with Morgan Stanley Senior Funding for a \$20.0 million loan. The loan was originally a three-year facility with interest accruing at LIBOR rates plus 7%, with both principal and interest due at the end of three years. On December 17, 2009 AMS amended the loan agreement with Morgan Stanley which resulted in the maturity date for the loan being extended to October 8, 2010. The amendment also changed the interest rate on the loan to 19%, 10% of which is due and payable at the end of each month. The remaining 9% of interest is due on the revised maturity date. The amendments to the loan agreement with Morgan Stanley resulted in two separate charges of \$43,687 and \$1,616,028 both of which were converted to debt obligations and included in the outstanding principle. The loan is secured by the stock of AMS and its subsidiaries and included a warrant for 108,973 shares of common stock exercisable immediately after the close. The warrants were valued at fair market value of \$432,537 and this amount was treated as a discount to the note and as an addition to paid in capital. The discount has been fully amortized as of June 30, 2010.

On July 5, 2007, AMS entered into agreements with Three Arch Partners for \$15.0 million in loans. The loans are four-year facilities with interest accruing at LIBOR plus 16.5%, with both principal and interest due at the end of four years. At June 30, 2010, the interest rate was 21.89%. The loans are secured by the stock of the AMS and its subsidiaries. The security interest is a second lien subordinate to the Morgan Stanley Senior funding.

On May 23, 2008 AMS entered into agreements with Morgan Stanley Dean Witter Venture Partners IV, LP and various stockholders for \$4.74 million in loans. The loans are six month facilities with interest accruing at 22.5% for six months. Pursuant to the agreement, the maturity date will automatically be extended for six month periods until the earlier of a private placement debt offering or October 31, 2010. Per the terms of the loan, the interest rate beyond the first six-month anniversary date was increased to 32.5% for the remaining term of the facility beginning November 1, 2008. There are no warrants associated with this facility. The security interest is fully perfected in all existing and after-acquired assets of AMS and any unrestricted subsidiaries.

No events of default have occurred with respect to any of AMS's debt agreements as of June 30, 2010. Additionally, the company was in compliance with all debt covenants as of June 30, 2010.

B. Not applicable.

12. **Retirement Plans, Deferred Compensation, Postemployment Benefits and Compensated Absences and Other Postretirement Benefit Plans**

A, B & C. Not applicable.

D. The Company participates in a qualified, 401(k) plan sponsored by its parent company, AMS. All employees with three or more months of service in the previous calendar year are eligible for a Company match of up to 5% of their annual income that is contributed to the plan. Employer match contributions are made on a yearly basis, in March following the plan year. The liability for this contribution is reflected in the balance of the amounts withheld on or retained for the account of others on page 3 of this filing. The Company's employer match liability at June 30, 2010 is \$18,636.

The 401(k) plan is administered by Fidelity Investments and therefore the Company assumes none of the liabilities associated with its administration.

E. The Company accrues a liability for paid time off for its employees on a monthly basis. The liability for compensated absences can be reasonably estimated and is reflected as part of the general expenses due and accrued on page 3 of this quarterly filing.

F. Not applicable.

13. **Capital and Surplus, Shareholders' Dividend Restrictions and Quasi-Reorganizations**

1. The Company has 10 shares authorized and 5 shares issued and outstanding of \$0.01 par value common stock as of June 30, 2010.
2. The Company has no preferred stock authorized.
3. Without prior approval of its domiciliary commissioner, dividends to shareholders are limited by the laws of the Company's state of incorporation, Arkansas, to the greater of 10% of insurer's equity or the net income, excluding realized capital gains, as of year end.
4. The Company paid out \$1,450,000 in dividends to stockholders as of June 30, 2010 based on 2009 financial results.
5. Within the limitations of (13.3) above, there are no restrictions placed on the portion of the Company profits that may be paid as ordinary dividends to stockholder.
6. Not Applicable.
7. Not Applicable
8. The Company does not have any stock held for special purposes such as conversion of preferred stock, employee stock options, or stock purchase warrants.
9. There were no changes to any special surplus funds from the prior period.
10. Unassigned surplus includes a reduction of \$801,469 for non-admitted assets, of which \$238,555 is the non-admitted portion of deferred tax. The remainder of this reduction primarily represents provider receivables greater than 90-days old, prepaid expenses, prepaid brokers commissions, office furniture and equipment, and non-statutory deposits.
- 11, 12 & 13. The Company does not have any surplus notes and has not entered into any quasi-reorganizations.

14. **Contingencies**

- A. Not Applicable.
- B, C, D & E. ACC has not had any assessments, gain contingencies, contractual or bad faith losses related to lawsuits or any other contingencies.

15. **Leases**

- A. The Company leases office equipment under various non-cancelable operating agreements that expire on, or before 2012. In addition, the Company has entered into a lease for office space that expires in 2012. Total equipment and rental expenses related to lease payments was \$37,383 as of June 30, 2010.
- B. As of June 30, 2010, the Company has the following aggregate non-cancelable lease commitments:

<u>Year</u>	<u>Amount</u>
2010	\$ 37,335
2011	69,663
2012	21,773
2013	-
2014	-
<b><u>Total</u></b>	<b><u>\$ 128,771</u></b>

- C. Leasing is not a significant part of the Company's business activities in terms of revenue, net income or assets.

16. **Information About Financial Instruments With Off-Balance Sheet Risk And Financial Instruments With Concentrations of Credit Risk**

Not Applicable

17. **Sale, Transfer and Servicing of Financial Assets and Extinguishments of Liabilities**

Not Applicable

18. **Gain or Loss to the Reporting Entity from Uninsured Plans and the Uninsured Portion of Partially Insured Plans**

A. ASO Plans - Not applicable

B. ASC Plans – Not applicable

C. Medicare Plans – Low Income Cost Sharing (“LICS”) reconciliation payable.

The Company receives LICS advance payments from the Center of Medicare and Medicaid Services (“CMS”) on a monthly basis. These payments represent the difference in dollar amount that CMS pays on behalf of low income beneficiaries for their prescriptions versus non-low income beneficiaries. It is paid to ACC on a prospective basis. Plans are paid dollar for dollar for the low income subsidy cost sharing, and since plans are paid prospectively, an annual reconciliation will be performed. The difference between the actual LICS pharmacy costs incurred for the 2010 plan service year and the advance payments received will be recognized as a payable (if advance payments are higher than costs) or a receivable (if advance payments are less than costs), and settled with CMS approximately six-months after year end.

The Company receives Reinsurance advance payments from CMS on a monthly basis. These payments represent the anticipated catastrophic coverage amounts that CMS will cover as projected in bids for all the Company’s beneficiaries. The Company tracks the catastrophic spend amounts, also known as Actual Reinsurance Subsidy, which is 80 percent of allowable drug costs above the out-of-pocket threshold, net of any other remuneration (e.g., rebates, coupons, discounts collectively referred to as direct and indirect remuneration), spent within the plan for the benefit year. Reinsurance reconciliation is the difference between the sum of all prospective reinsurance payments received for the coverage year and the actual Reinsurance subsidy amount within the same coverage year. CMS will collect the amount of Reinsurance dollars that exceed subsidized Reinsurance amounts. Conversely, CMS will pay the difference in the final reconciliation if the Reinsurance subsidy is less than the Reinsurance amounts received.

At June 30, 2010, the Company’s receivables related to LICS and Reinsurance were \$1,233,881 and \$855,241, respectively.

19. **Direct Premium Written/Produced by Managing General Agents/Third Party Administrators**

Not Applicable

20. **Other Items**

Not Applicable

21. **Events Subsequent**

Not Applicable.

22. **Reinsurance**

**A. Section 1 – General Interrogatories**

(1) Are any of the reinsurers, listed in Schedule S as non-affiliated, owned in excess of 10% of controlled, either directly or indirectly, by the Company or by any representative, officer, trustee or director of the Company?

Yes ( ) No (X)

(2) Have any policies issued by the Company been reinsured with a company chartered in a country other than United States (excluding U.S. Branches of such companies) that is owned in excess of 10% or controlled directly or indirectly by an insured, a beneficiary, a creditor or any other person not primarily engaged in the insurance business?

Yes ( ) No (X)

**A. Section 2 – Ceded Reinsurance Report – Part A**

(1) Does the Company have any reinsurance agreements in effect under which the reinsurer may unilaterally cancel any reinsurance for reasons other than for non-payment of premium or other similar credit?

Yes ( ) No (X)

(2) Does the reporting entity have any reinsurance agreements in effect such that the amount of losses paid or accrued through the statement date may result in a payment to the reinsurer of amounts that, in aggregate and allowing for offset of mutual credits from other reinsurance agreements with the same reinsurer, exceed the total direct premium collected under the reinsured policies?

Yes ( ) No (X)

**A. Section 3 – Ceded Reinsurance Report – Part B**

(1) What is the estimated amount of aggregate reduction in surplus, (for agreements other than those under which the reinsurer may unilaterally cancel for reasons other than for nonpayment of premium or other similar credits that are reflected on Section 2 above) of termination of ALL reinsurance agreements, by either party, as of the date of this statement? Where necessary, the Company may consider the current or anticipated experience of business reinsured in making this estimate. \$91,902.

(2) Have any new agreements been executed or existing agreements amended, since January 1 of the year of this statement, to include policies or contracts that were in force or which had existing reserves established by the Company as of the effective date of the agreement?

Yes ( ) No (X)

**B. Uncollectible Reinsurance – Not Applicable (None)**

**C. Commutation of Ceded Reinsurance – Not Applicable (None)**

23. **Retrospectively Rated Contracts & Contracts Subject to Redetermination**

A. The Company estimates accrued retrospective premium adjustments through a mathematical approach using an algorithm provided by CMS in the CMS Prescription Drug Event Data Training Participant Guide.

B. The Company records accrued retrospective premium as an adjustment of earned premium.

C. The amount of net premiums written by the Company at June 30, 2010 that are subject to retrospective rating features was \$667,092, that represented 0.13% of the total net premiums written. No other net premiums written by the Company are subject to retrospective rating features.

24. **Change in Incurred Claims and Claim Adjustment Expenses**

Reserves for incurred losses and loss adjustment expenses attributable to insured events has increased by \$966,531 from \$9,575,124 as of December 31, 2009 to \$10,541,655 as of June

30, 2010 as a result of changes in estimates of unpaid losses and loss adjustment expenses. This increase is driven primarily by the result of ongoing analysis of recent loss development trends and increased membership. Original estimates are increased or decreased as additional information becomes known regarding individual claims.

25. **Intercompany Pooling Arrangements**

Not Applicable

26. **Structured Settlements**

Not Applicable

27. **Health Care Receivables**

A. Pharmaceutical Rebate Receivables – The Company booked pharmacy rebates for prior years expenses that it expects to receive from its pharmaceutical vendor. Total pharmaceutical rebate receivables at June 30, 2010 are \$211,891.

In addition, the Company had incurred pharmacy claims on members that were subsequently transferred to other health plans by CMS. Pursuant to Medicare Part D reimbursement regulations, the Company is able to bill the other plans for these claims and report any non-payment to CMS after 30-days. Accordingly, the Company has admitted a net receivable for plan to plan receivables of \$735 as of June 20, 2010.

B. Risk Sharing Receivables – Risk sharing can fluctuate between a liability (reported on page 3, line 4 of the financials) or an asset (reported on page 2, line 23 of the financials). CMS advances funds to the Company for pharmacy expenses based on bids submitted by the Company in the previous year. A portion of the difference between actual pharmacy expenses paid and the amounts received from CMS is listed as either a payable or receivable and is settled up with CMS the following year. The table below summarizes the Company's risk sharing receivables at June 30, 2010.

Calendar Year	Evaluation Period Year Ending	Risk Sharing Receivable as Estimated in the Current Year	Risk Sharing Receivable Billed	Risk Sharing Receivable Not Yet Billed	Actual Risk Sharing Amounts Received in Year Billed
2010	2009-2010	\$ 580,705	\$ -	\$ 580,705	\$ -

C. Other – (Claims Receivable Due from Providers and A/R –P2P)

The Company paid medical and hospital claims on members that were subsequently terminated retroactively by CMS. As most of the claims paid were with contracted providers, the Company is able to seek reimbursement from the providers for these non-eligible members' claims per provisions of the contracts. The receivable is recorded when billed and an allowance for doubtful accounts is provided based on historical collection rates and other factors. At June 30, 2010, the Company admitted a net receivable due from providers of \$800.

As of June 30, 2010, the Company had a receivable, net of allowances for doubtful accounts and over 90-day non-admitted, due from its agents of \$75,253. This receivable is driven primarily by commissions paid on retroactively terminated members. The Company expects that it will be able to fully recover these agent balances as it will be able to offset them against its ongoing payment of retention and renewal commissions.

28. **Participating Policies**

Not Applicable

29. **Premium Deficiency Reserves**

Not Applicable

30. **Anticipated Salvage and Subrogation**

Not Applicable

## GENERAL INTERROGATORIES

### PART 1 - COMMON INTERROGATORIES

#### GENERAL

- 1.1 Did the reporting entity experience any material transactions requiring the filing of Disclosure of Material Transactions with the State of Domicile, as required by the Model Act? ..... Yes [  ] No [  ]
- 1.2 If yes, has the report been filed with the domiciliary state? ..... Yes [  ] No [  ]
- 2.1 Has any change been made during the year of this statement in the charter, by-laws, articles of incorporation, or deed of settlement of the reporting entity? ..... Yes [  ] No [  ]
- 2.2 If yes, date of change: .....
3. Have there been any substantial changes in the organizational chart since the prior quarter end? ..... Yes [  ] No [  ]  
If yes, complete the Schedule Y - Part 1 - organizational chart.
- 4.1 Has the reporting entity been a party to a merger or consolidation during the period covered by this statement? ..... Yes [  ] No [  ]
- 4.2 If yes, provide the name of the entity, NAIC Company Code, and state of domicile (use two letter state abbreviation) for any entity that has ceased to exist as a result of the merger or consolidation.

1 Name of Entity	2 NAIC Company Code	3 State of Domicile
