CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

EMPLOYMENT-RELATED PRACTICES LIABILITY POLICY

If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Employment Related Practices Liability Forms Explanatory Memorandum

These endorsements are revised to:

- Remove reference to the original enactment of TRIA, the Act “of 2002”.
- Revise the definition of certified act of terrorism to:
 - Delete the text “acting on behalf of any foreign person or foreign interest”, in line with the revision to Section 102(1)(A)(iv) of the Act.
 - Reflect the fact that the definition includes appropriate details, but not all of the statutory wording, in setting forth the criteria for a certified act of terrorism.
 - Elaborate on the reference to aggregate losses, which are aggregate insured losses attributable to all types of insurance subject to TRIA.
- Revise the language expressing the existence and effect of the cap. As revised, the language explicitly refers to the amount of the cap and addresses allocation of the insured losses, pursuant to Sections 103(e)(2)(A) and 103(e)(2)(B) of the Act. This revision is not applicable to 8019.
