APPOINTMENT REQUIREMENTS

The state of Arkansas issues a permanent producer license. Licensees are required to carry this license and maintain accurate records of the insurance companies that have appointed them. An insurance company has fifteen (15) calendar days to submit the producer's appointment to the Arkansas Department of Insurance. This 15-day submission will begin either from the day the insurance company signs a contract with the producer, or, upon the insurance company's receipt of the first piece of business from the producer. A licensee who receives a permanent producer license should advise each company he/she wishes to represent of his/her qualifications and standing and ask for appointment. Arkansas insurance companies can now submit the Arkansas Request for Appointment form for each producer they certify via www.nipr.com. A paper form can also be found on www.insurance.arkansas.gov but it is recommended that they submit electronically. All appointments, Life and/or Health authorities, Property and Casualty are renewed annually on June 1. The payment of the appointment renewal fee is the responsibility of the insurance company.

AMENDED/CHANGED AUTHORITY

Insurance companies must send a new Arkansas Request for Appointment form for any producer whose authority is amended or changed. Fees for amending or changing authority are the same as for appointment (shown above).

TERMINATIONS

If an insurance company wishes to terminate a producer or agency, the Arkansas Request for Company Cancellation form (I-71) is required. The form can now be submitted via www.nipr.com at the time of termination, and a \$10 fee is required for each termination.

ADMINISTRATIVE SUPPORT SERVICES

The Arkansas Insurance Department will provide home state certification, clearance letters, or printouts of a producer's record. All administrative services requests must be forwarded to the Arkansas Insurance Department with the producer's name and license number. Fees vary. Producers may contact the Insurance Department for a current listing of these fees.

CHANGE OF NAME OR ADDRESS

Producers must report any change in address or name to the Arkansas Insurance Department within thirty (30) days of the change. Address changes can now be made online via www.nipr.com. A paper form can be found on www.insurance.arkansas.gov but phone requests will not be accepted.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

If Prelicensing education is required, you must complete a course that has been approved by the Department. Because of the number and the diversity of approach, **neither the Department nor PSI recommends specific prelicensing course providers.** A list of all approved prelicensing providers can be obtained from the Department's Web site at www.insurance.arkansas.gov.

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

You can take a practice exam online at www.psiexams.com to prepare for your Arkansas Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam.

Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

DESCRIPTION OF EXAMINATIONS

EXAMINATION STUDY MATERIALS

The examination content outlines in this bulletin are the basis for the examinations and are updated periodically. Each approved prelicensing provider is given a copy of the exam content outlines listed in this bulletin for use in developing a course of study and any materials used in the course. It is the provider's responsibility to ensure that all study materials are updated to comply with the current exam content outlines.

Licensing candidates should be aware that they will be tested on the subject matter shown in these outlines and should therefore hold the course provider accountable for covering all the topics noted herein.

Applicants may wish to go to the library to review a standard statute reference for Arkansas. Statutes are also available from the office of the Secretary of State for Arkansas.

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

EXAMINATION CONTENT OUTLINES

The following outlines describe the content of each of the Arkansas Insurance Examinations. These outlines are the basis of the examination. Each examination will contain questions about the subjects in its outline. The examinations are closed book. No reference materials, papers or study materials are allowed at the examination site.
