Company Justification for Requested Change

According to the company's filing, its request is made because:

"Single risk pool experience, unit cost trend, utilization trend, deterioration of morbidity within the single risk pool, and reinstatement of previously suspended taxes. The rate increase requested takes into consideration the decrease in the Federal Exchange User Fee from 3.0% to 2.5% and the elimination of the Arkansas Health Insurance Marketplace (AHIM) Exchange User Fee of 1.25% beginning January 1, 2020. This results in a lower premium increase than anticipated for Arkansans utilizing the Marketplace
