The purpose of this Rule is to implement and clarify the pertinent fee provisions of Act 652 of 1993, "The State Insurance Department Trust Fund Act" codified at Ark. Code Ann. §§ 23-61-701 et seq., Act 901 of 1993, the Department's "Omnibus Act", Act 787 of 1993, the "Life Care Providers Act" codified at Ark. Code Ann. §§ 23-93-201 et seq., and others. This Rule is designed to specify the amount, method and manner of payment of nonrefundable administrative and regulatory fees of insurers, agents and other licensees or registrants, as well as other filing fees for various Arkansas Insurance Department ("Department") products and services, all of which are payable to "The State Insurance Department Trust Fund" ("Trust Fund").

It is also to emphasize that fees charged under current laws are not affected, diminished or altered by the provisions of this Rule. As appropriate, and to the extent fees are charged under other Arkansas laws for the same product, process or service as to which a fee is to be

paid pursuant to the Acts referenced herein and this Rule, this Rule is to provide for the payment of all of such fees in a coordinated, consistent manner.

SECTION 2. AUTHORITY, SCOPE AND APPLICATION.

- (a) **AUTHORITY.** The Insurance Commissioner hereby promulgates and issues this Rule under his authority pursuant to the provisions of Ark. Code Ann. §§23-61-701 et seq., 23-61-108, 25-15-201 et seq., and other applicable Arkansas laws.
- (b)(1) **SCOPE AND APPLICATION.** This Rule or any applicable parts shall apply to insurers, producers and other current or former licensees, permittees, registrants, and applicants for licensure of the Insurance Commissioner. Such licensees, registrants or permittees or applicants for licensure shall include but not be limited to:
- (A) **Insurers and Similar Entities:** All licensed domestic, foreign and alien insurance companies, including but not limited to stock and mutual insurers, title insurance companies, mutual assessment life and health insurers, reciprocal insurers, approved but not admitted surplus line insurers, health maintenance organizations (“HMOs”), fraternal benefit societies, hospital and medical service corporations, stipulated premium insurers, farmers’ mutual aid associations (“FMAAs”), prepaid legal insurers, advisory/rate service organizations, viatical settlement providers, property and casualty JUAs, associations, pools and syndicates not qualifying as advisory organizations under §§23-67-101, et seq.;

 - (N) **Others:** as mentioned elsewhere in this Rule, or others as applicable.

All persons and entities referred to in paragraphs (b)(1)(A) through (b)(1)(N) may sometimes hereinafter be referred to collectively as “Licensees, Registrants, or Permittees.”

(2) All administrative and regulatory fees set forth in this Rule are in addition to any other fees imposed under current laws and rules, and shall be paid coincident with the payment of other fees currently owing. However, where practical and as a convenience to the reader, certain statutory fees are referenced within this Rule to assist the reader in determining the appropriate fee amount, when both the statute and this Rule charge different fees for the same services. Note also, that a few fees referenced herein list an annual or biennial fee amount but may be due on an annual or biennial schedule.

- (3) The Commissioner in his discretion may waive all or any part of any fee assessed under this rule if: (A) the Certificate of Authority, license, permit or registration is suspended or revoked; (B) if the Commissioner finds that the licensee, permittee or registrant is impaired or insolvent, or its continuing operations are hazardous to the public of this State; or (C) if the licensee, permittee or registrant is under domiciliary department supervision of this or another State, or court-ordered conservation, rehabilitation, liquidation or has filed for bankruptcy under Chapter 11 of Title 11, United States Code. Any licensee, permittee, registrant or its domiciliary conservator, rehabilitator, liquidator, or trustee in bankruptcy may request a fee waiver in writing; but the Commissioner may not consider waivers for those failing to file a written request therefore. Upon activation or reinstatement of any suspended certificate of authority, license, permit or registration, or upon approval of a bankruptcy reorganization plan or successful release from conservation or rehabilitation, then the licensee, permittee, or registrant shall automatically commence reporting and payment of any of the fees in this Rule applicable to resumed Arkansas operations under the license, permit or registration. Trust Fund reimbursement for fees which would have been required and assessed but for the waiver during that period shall not be required. Upon failure of any such person, firm, or corporation to file for waiver or pay the fees when due, or upon the Commissioner's denial of the requested waiver, the Commissioner may file his claim on behalf of the Trust Fund against any deposit or other asset of the person, firm or corporation as permitted by insurance and other applicable laws of this State.
- (4) It is the intent of the Commissioner not to charge fees for filings which are made with the Department for "informational purposes only," and which are otherwise exempt from filing or not expressly required to be filed by statute, rule, or order. The Commissioner in his reasonable discretion, reserves the right to determine whether, in fact, a particular filing is truly for informational purposes only.

SECTION 3. EFFECTIVE DATE.

The provisions of this Rule shall become effective January 1, 2010, upon statutory filing per Arkansas law.

SECTION 4. DERIVATION AND CLASSES OF FEES.

- (a) Ark. Code Ann. §§23-61-701 et seq., provides the Department's authority to generate revenue to support its operations by the imposition of fees; it also divides certain of those fees into two categories, i.e. Administrative and Regulatory Fees and Service and Product Fees. Service and Product Fees are broken down into two categories, Category A and Category B. Fees in Category A are those involving material or substantive corporate transactions or those which consume substantial time of Department staff; those fees are capped at a maximum of \$1,500 per transaction. Category B fees, on the other hand, are those involving other Departmental filings, transactions or services which do not require a substantial effort by Department staff; those fees are capped at a maximum of \$50 per transaction. Administrative and Regulatory Fees are capped at \$50.00.
- (b) Caution: §§23-61-701 et seq., and other acts/statutes referenced above, authorize the imposition of other fees set forth in the Rule and which are not subject to the respective Category A and Category B "caps".

All PRODUCERS AND AGENCIES must note that even though statutorily, appointment fees are payable by insurers and even though Ark. - (a) Effective until January 1, 2011, all initial licenses and all renewal licenses for the above referenced licensees will be issued on an annual basis and the annual administrative and regulatory fee will be collected annually. All individual licensees shall pay the annual administrative and regulatory fee to renew their licenses on or before their birthday and annually on their birthday thereafter. All entities shall pay the annual administrative and regulatory fee to renew their licenses on or before October 1 of each subsequent year.

- (b) **Effective January 1, 2011, the annual administrative and regulatory fee will be collected biennially under the following schedule:**

- (1) The renewal of licenses will be based on the licensee's birthday. For licensees with a birth year ending in an odd number, their license will be renewed for a period of two years and will have an expiration date of 2013. Accordingly, these licensees will pay two annual fees at renewal. For licensees with a birth year ending in an even number, their license will be renewed for an initial period of one year with an expiration date of 2012. Accordingly, these licensees will only pay one annual fee at this time. When their licenses are renewed in 2012, those licenses will be for a period of two calendar years with an expiration date of 2014.
 - (2) For all new licenses issued on or after January 1, 2011, the licenses will be issued for a period of two calendar years and the licensee will pay two annual fees. Licenses issued in 2011 will expire in 2013.
 - (3) All licenses issued or renewed for a period of two calendar years will expire on the licensee's birth date in the calendar year of expiration.
 - (4) For licenses issued to business entities licensed as producers and surplus lines brokers, and third party administrators, the initial license and the renewal license will be issued for a period of one year. The annual administrative and regulatory fee must be paid on or before October 1 of every year in order to renew a business entity producer license. The renewal date for surplus lines brokers license for business entities and third party administrators is January 1 of every year.
- (c) TYPE OF LICENSE: The phrase "type of license" refers to the particular kind of license held by the licensee rather than the type or line of business the license authorizes the licensee to transact. Thus, a producer authorized to transact one or more lines of insurance still has only one license, and the applicable fee is \$35. If however, the same licensee also holds a broker's license and a surplus lines broker's license (a total of three (3) licenses) the licensee would owe three (3) separate fees of \$35 each, for a total of \$105.
- (d) Effective July 31, 2009, Section 1 of Act 901 of 1993 was repealed. Accordingly, insurers may pay the license fees set forth above and any statutory license fees.

To that extent, the provisions of this Rule are not designed to or intended to affect, interfere with or otherwise supersede other fee or penalty collections and deposits pursuant to other Arkansas Law or Rule Provisions.

SECTION 24. SCRIVENERS' ERRORS.

The Commissioner may, in his discretion, waive any fee set forth in this Rule for the filing of any document or thing, if he determines that such filing is, in fact, a re-filing made solely to correct scriveners' or other errors. In such event, nonetheless, the Commissioner may charge a reasonable "processing fee" which shall not exceed \$50.

SECTION 25. PENALTIES.

- (a) GENERAL. Upon failure of the applicant, licensee, registrant, permittee, or other person to pay the fees required by this Rule or to pay them timely when due, absent an extension granted by the Commissioner, the Commissioner may after notice and a hearing and in his reasonable discretion, deny the license, registration or permit or Certificate of Authority requested (or renewal license, registration, permit or Certificate of Authority requested) in his Order, or may order suspension or revocation of the delinquent person's license, permit, registration or Certificate of Authority. If the Commissioner orders a suspension, it shall continue until all fees and penalties are remitted to "The State Insurance Department Trust Fund", up to a full twelve (12) months, at which time the Commissioner may in his discretion order continuation of the suspension for an additional twelve (12) months, or may order revocation or cancellation of the license, registration, permit, or Certificate of Authority for violations of his Order and this Rule. All such licensees, registrants and permittees upon written request shall have the right to and shall be granted a hearing before the Commissioner or his designee, pursuant to Ark. Code Ann. §23-61-303(b), unless voluntarily waived.
- (b) INSURERS. Absent the Commissioner's approval of a time extension for good cause shown on or before the due date, all licensed insurers failing timely to report and/or pay the fees when due may be subject to an automatic penalty of One Hundred Dollars (\$100) a day for each day of delinquency, payable to "The State Insurance Department Trust Fund".
- (c) CIVIL OR ADMINISTRATIVE ACTION. The Commissioner on behalf of "The State Insurance Department Trust Fund" may pursue any civil cause of action for collection of the fees and penalties due under this Rule, or may pursue any claims against a security deposit as the Commissioner is entitled to make, or may reject or refuse to accept or disapprove any companion filing or license request, or may pursue any combination of these remedies as appropriate. In the event the Commissioner pursues a civil cause of action on behalf of "The State Insurance Department Trust Fund", he shall be entitled to request and recover all costs of collection, including reasonable attorney fees and expenses, if and as incurred.
- (d) DOCTRINE OF ELECTION OF REMEDIES. The doctrine of election of remedies shall not be imposed against the Commissioner, i.e. he is entitled to seek all appropriate administrative and judicial remedies in protection of "The State Insurance Department Trust Fund" and the public interest.

SECTION 26. SEVERABILITY.

If any provision of this Rule or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this Rule which can be given effect without the invalid provisions or application, and to this end, the provisions of this Rule are declared to be severable.
